

Promise Stick

Equipment:

- tongue depressor
- googly eye - "I"
- picture of Guide promise hand sign - "promise that I will"
- heart sticker - "do my best, to be true"
- happy face sticker - "to myself"
- glitter & glue - "and develop my beliefs"
- yellow rectangle with "help" on it - "To serve my community"
- a small Australian flag - "and Australia"
- star sticker - "And live by the Guiding Law"

Instructions:

Attach each supply listed above in order.

The girls LOVED this craft and many used their sticks as bookmarks.

Collage

Equipment:

- Magazines
- Cardboard
- Scissors
- Glue

Method:

1. Provide the girls with newspapers and magazines. Ask them to make a collage of pictures and words that reflect the wording of the Promise and Law.
2. Let the girls discuss why they chose the pictures and words they did.

Promise Fence

Equipment:

- Popsicle sticks (we used coloured sticks)
- Alphabet noodles
- White glue

Instructions:

1. Make a "fence" using one vertical Popsicle stick with six or seven horizontal popsicle sticks glued on to it. Find all of the letters for the promise, and glue them on to the horizontal Popsicle sticks in order
2. This takes a VERY LONG TIME (we took three meetings to complete this)!

How to Make a Compass

Equipment:

- Small plastic container
- A sharp knife
- A needle
- A cork
- A magnet

Method:

1. Ask an adult to help you cut a slice of cork about 5mm thick.
2. Magnetise the needle by stroking it several times along the magnet from eye to point in the same direction.
3. Push the needle carefully through the cork across the circle
4. Fill a plastic container with water and float the cork in it. Check with a compass which end of the needle points to north and mark it on the cork.
5. Fill in the other compass points on the cork, using a permanent marker pen
